

Baby Shark Sightings!

Doo-doo Doo – doo-doo-doo

The hand gestures for *Baby Shark* are easy enough, but there are some other ways to bring this song/chant to life, such as

BABY SHARK Paper Bag Puppet

You will need: 1 brown paper bag, black card stock, white cardstock, black pen, blue or grey cardstock, and glue.

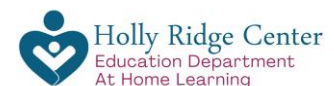

To make your paper bag shark, the first thing that you need to do is to cut a circle out of the black and white card for the mouth. To get a good match for these, put one bit of card on top of the other when you cut the circles out, so they are the same size.

From the white bit of card stock, cut out sharp spikey teeth. These will now fit perfectly onto your black shark's mouth, so glue them on!

Next, cut your shark's fins and stick those on to the back of your paper bag. Finally, all you need to do is draw on your shark's eyes. You could also use googly eyes for this.
