

WINTER SONG (Fun in the Snow)

Come on, let's go!

There's brand new snow!

It's on the ground; it's all around

It's in the air; it's everywhere!

Let's build, build, build a snowman

Build, build, build a snowman

Let's build, build, build a snowman

We're playing in the snow!

Come on, let's go!

There's brand new snow!

It's on the ground; it's all around

It's in the air; it's everywhere!

Let's slide, slide, slide down the hill

Slide, slide, slide down the hill!

Let's slide, slide, slide down the hill!

Playing in the snow!

Come on, let's go!

There's brand new snow!

It's on the ground; it's all around

It's in the air; it's everywhere!

Let's throw, throw, throw some snowballs

Throw, throw, throw some snowballs

Let's throw, throw, throw some snowballs!

We're playing in the snow!

Come on, let's go!

There's brand new snow!

It's on the ground; it's all around

It's in the air; it's everywhere!

Let's skate, skate, skate on the pond

Skate, skate, skate on the pond

Let's skate, skate, skate on the pond

We're playing in the snow.

Five Little Snowmen (Alina Celeste)

Snowmen are fat. They wear hats. And when the sun comes out, they are flat.

Five little snowmen fat

Each with a funny hat

Out came the sun and melted one

Now he's a puddle flat. Down, down, down.

Jingle Bells

Dashing through the snow

In a one-horse open sleigh

O'er the fields we go

Laughing all the way

Bells on bob-tail ring

Making spirits bright

What fun it is to ride and sing

A sleighing song tonight!

Oh! Jingle bells, jingle bells,
Jingle all the way.

Oh! what fun it is to ride
In a one-horse open sleigh.

TWINKLE TWINKLE LITTLE STAR

Twinkle, twinkle, little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle, twinkle, little star
How I wonder what you are

Twinkle, twinkle, little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle, twinkle, little star
How I wonder what you are
