I Love You Song

I love you your button nose

Your eyes, your ears, your knees, your toes.

I love you up to the sky, past the moon and stars so high.

If you feel alone and scared,

Always know that I'll be there.

Just like one and one make two,

You love me and I love you.

I love you in every way, all you do and all you say.

My love for you will always be,

Deeper than the deep blue sea.

Even if you're sad or blue,

It's okay 'cause I love you.

Just like one and one make two,

You love me and I love you.

I love you your button nose

Your eyes, your ears, your knees, your toes.

I love you up to the sky, past the moon and stars so high.

If you feel alone and scared,

Always know that I'll be there.

Just like one and one make two,

You love me and I love you.

I Have a Little Heart

I have a little heart and it goes thump, thump, thump

And it keeps right on beating when I **jump, jump, jump**

I get a special feeling when I look at you

And it makes me want to give you a hug or two.

I have a little heart and it goes thump, thump, thump

And it keeps right on beating when I **clap, clap, clap**

I get a special feeling when I look at you

And it makes me want to give you a hug or two.

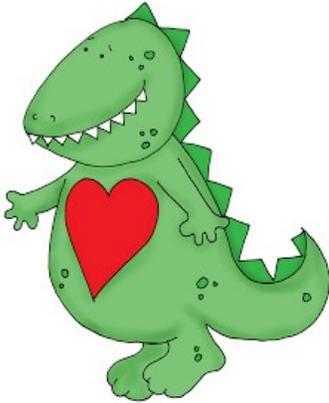

I have a little heart and it goes thump, thump, thump

And it keeps right on beating when I **run, run, run.**

I get a special feeling when I look at you

And it makes me want to give you a hug or two.

Repeat first verse

FINGERPLAYS

Have a Heart

I put my hands together (*tent your fingers, thumbs below*)

This is how I start.

I bring my fingers down like this (*point fingertips down, bending at knuckles*)

And now I have a heart!

Five Little Valentines on Valentine's Day: a finger play for young children by Susan Salidor.

Five little Valentines on Valentine's Day

Let's read each one together and hear what they say!

The first Valentine says, "Please be mine!"

The second one says, "You're MY Valentine."

The third one says, "Like candy, you're sweet!"

The fourth one says, "you're my Valentine treat."

The fifth one says, oh this one is secret, special in every way, "Happy Valentine's Day."
