Need engaging summer activities for your child?

Use this BINGO card as a checklist to choose activities for your free time!
Summer is a great time to socialize and meet new friends out in the community.

How to use:

- Present a picture to your child (printed, on your phone, tablet, or computer)
- Ask them, "What should we do today?"
- Point to each picture and read the label
- Have your child try pointing, talking, signing or gesturing, or making a word approximation
- Do these activities as play dates or socialization opportunities for your child
- Help your child play appropriately with or near other children
- Model social language for your child: hi/waving, play, fun, mine, yours, happy, give friends, etc.
